4. Acceptance Terms

I understand that once the applicant is offered a place, a new student admission fee is due and that the place will not be guaranteed until this payment is received.

I understand that Acceptance and entrance constitute a contract to pay the entire year's tuition, and I understand that there is no reduction or refund for absence, withdrawal, or dismissal.

The School reserves the right to dismiss at any time a student who has proven to be an unsatisfactory member of the School community. If in the School's judgment a student's conduct on or away from School indicates that he or she is consistently out of sympathy with the ideals, objectives, and program of the School, parents will be required to withdraw the student at once even though there may have been no infraction of a specific rule. CSM admits eligible students of any race, color, national, and ethnic origin and does not discriminate on the basis of race, color, national, and ethnic origin in its admissions policies and practices.

I understand that all CSM rules, regulations and documents are communicated in English. It is my responsibility to review and understand these materials clearly, and/or to arrange for my own translation when necessary.

This agreement is governed by Italian law as applied by the competent Court in Milan (Italy).
