Canadian School of Milan

Mission and Values

Educate for today. Inspire for tomorrow.

Our mission is to educate for a changing world through an inquiry based learning approach that fosters intercultural mindedness, academic excellence and a growing passion for learning.

Our School

The Canadian School of Milan, is an independent, co-educational, International School in the heart of Milan, established in 2014. CSM is home to over 350 students who come from all over the world and provides schooling to students from three years of age (Nursery) through to Senior School (Grade 12). CSM is an IB World School that offers the International Baccalaureate Diploma Program (IBDP).
